Does your State offer
Online Requests: Yes No

If yes what percentage
Of permits does your
System issue without
Your review? 50% on an average increase of 15%

New Legislation:

Permitting System Updates: (Please include money or time saving changes)
Looking into adding or upgrading the permit system. Looking into having GIS system, restrictions, bridge analysis and hopefully pavement analysis as customers enter their permit with the route requested. We would like the system to perform most of the analysis up front to hopefully give the customers an opportunity to choose another route before going into process if something comes up with issues with the route they chose.

Procedural Changes:

Innovative or Special Initiatives:

New/Unique Communication Efforts: (Describe any outreach to your carrier population)

Special Challenges Affecting Permit Operations:

Uniformity Pursuits:

Areas of Concern:

Successes:
