The Mid America Association of State Transportation Officials, Subcommittee on Highway Transport formerly Mississippi Valley Committee on Highway Transport, will be an advocate for oversize/overweight transportation issues by partnering with industry to promote uniformity of laws and regulations to allow for the efficient movement of goods while providing uninterrupted traffic flow and a safe transportation system among member states.

In 2011, the organization changed its name to the Mid America Association of Transportation Officials to better reflect the location of the member states.

### **Goals**

- To provide representation for the central region of the nation in regard to highway transportation issues.
- To provide a forum for discussion and share best practices as it deals with statutes, regulations and industry requests.
- To promote ITS/CVO applications that result in efficient movement of goods and a safe transportation system.
- To communicate the work and recommendations of this committee to state DOTs, the motor carrier industry and other organizations

Committee Chair

Angela Woodard, Motor Carrier Services, Indiana

Committee Vice-Chair

Steven Todd, Illinois Department of Transportation

Committee Secretary
